### A Gift that Gives Back

Would you like to support Brigham and Women's Hospital (BWH), but are hesitant to do so because of the current market uncertainties? Perhaps you are concerned about being able to meet your future needs. Other donors who feel the same way have discovered the joy of supporting BWH through a charitable gift annuity.

A charitable gift annuity is a contract between you and BWH that provides advantages for both. You can make a gift and receive immediate financial benefits. By funding a charitable gift annuity you will provide valuable support to BWH and receive a charitable income tax deduction and fixed payments for your lifetime or the lifetime of a loved one.

Charitable gift annuities may be funded with cash, securities or property. The payout rate on a charitable gift annuity is a fixed rate based on the age of the donor at the time the gift is made. Payments may be made to one or two income beneficiaries.

## Summary of financial benefits:

- Guaranteed fixed payments for life
- A portion of your payments may be nontaxable
- Charitable income tax deduction for a portion of the gift
- Reduced capital gains taxes

## Sample Annuity Rates\*

**“When you set up a charitable gift annuity at the Brigham,  
it’s a financial win for you and the hospital.”**

— J. Linzee Coolidge, Legacy Society Member

## Benefits Include:

- Guaranteed fixed payments for life. The annuitants you name will receive fixed annual payments for life, backed by the general resources of the hospitals. With attractive annuity rates, your cash flow may increase from what you currently receive from your asset.
- Federal and state income tax deduction. You will receive an income tax deduction in the year of your gift to be used for immediate tax savings. This is usually 20%-40% of your gift amount.
- Favorable capital gains tax treatment. If you fund the annuity with a long term appreciated securities (ones you have held for more than one year), you will incur tax on only part of the gain. If you name yourself as an annuitant, this tax will be spread out over many years. In other words, some of the capital gain is forgiven completely and the other portion is spread out over your life expectancy.
- Reduced estate costs. Your estate may enjoy reduced probate costs and estate taxes.
- Support BWH and you will have the satisfaction of knowing you are providing generous support to help find new ways to predict, prevent, and treat the most challenging diseases, while delivering world-class care with a profoundly human touch.
